MEMORANDUM FOR: SSA/DDS

SUBJECT : FY 1973 Representation Allowances

REFERENCE : SSA/DDS Memo, Same Subject, dtd
10 May 1972

1. Attached is FE Division's proposed FY 1973 schedule of representation allowances. We have included those of the DDI and DD/S&T representatives assigned to FE Stations who draw representational allowances through the Station.

2. Changes between FY 1972 and FY 1973 are noted on the attachment.

3. We have requested increases for FY 1973 for [REDACTED] all of which result from currency devaluation in these areas. Based on our review of representational spending in all FE Stations from 1 July 1971 through 30 April 1972, we have concluded that the cost of representational services and functions in these three areas increased after changes in currency value had been announced. Our projection figure indicates that each of these Stations will require additional funds for the following year if they are not to exceed the present allowance.
